

Address

- * Full swing or putter grip
- * Ball position near right foot
- * Weight on left side (80/20) throughout stroke
- * Lower case "y" with arms

Backswing

- * Arms swing while maintaining wrist angle, lower case "Y"
- * Weight stays on left side, no weight shift
- * Hands and club head stay below the waist, this is a "stroke" not a swing

Impact

- * Arms swing while maintaining the lower case "y"
- * Hands stay ahead of the club head, shaft leans to the left towards target,
- * Ball then turf contact, slight descending hit on the ball, try not to scoop.

Finish

- * Arms swing same length as back swing, think pendulum
- * Maintain the lower case "y" as much as possible
